CANCELING LESSONS FREQUENTLY?

If you think you may have to cancel more than 1 or 2 lessons during the upcoming session, we recommend

a) "Flexible" scheduling instead of weekly. Choose 30, 45, or 60 minute lessons on the days and times that work best for you.

b) A smaller family lesson package. For instance, consider the Romantic 12.0 hour package rather than two, Classical 8.0 hour packages for each.

Additional lesson hours can always be purchased later "a la carte" as needed in increments of 1.0 hours

Please remember that for **lesson plans of 8.0 or more hours**, there is **limit of 2 lesson credits per session** available for student-initiated cancellations or time change requests.
