Pride in Performance

Student Patrick Ganley and instructor Ms. Annalisa Sewald play a duet version of the popular Christmas song "Joy to the World" in recital. More than 50 private lesson students in piano, voice, violin, flute, and clarinet performed in two days of recitals. Soloists ranging in age 5 thru 15 celebrated the grand opening of Arena's Performing Arts Centre in Moon Township - the newest onsite facility for lessons provided by instructors from the Lisa Rae Music Studios, LLC.

other organizations in Western PA committed to the creative education of children are asked to contact our studios to arrange for classes at your location. Parents and caregivers are likewise encouraged to communicate your interest in enrolling your children in upcoming Music Together programs.

Music Together is an internationally recognized early childhood music program for babies, toddlers, preschoolers, kindergartners, and the adults who love them.

Developed in Princeton NJ and first offered to the public in 1987, it pioneered the concept of a research-based, developmentally appropriate early childhood music curriculum that strongly emphasizes and facilitates adult involvement.

Music Together classes are based on the recognition that all children are musical. All children can learn to sing in tune, keep a beat, and participate with confidence in the music of our culture, provided that their early environment supports such learning.

Twelve children and their parents or caregivers meet weekly for 45 minutes each or ten weeks to experience new songs, chants, movement activities, and instrumental jam sessions.

Both children and adults participate in the circle, led by LRMS instructors "Miss Lauren" Garcia-Slawianowski and Lisa Rae Vaughan. Both are registered Music Together instructors with early childhood and music skills.
